

BIOGRAPHY

Jeanne Quirk

Senior Vice President
Mergers & Acquisitions

Jeanne Quirk is Senior Vice President, Mergers and Acquisitions at TE Connectivity. In her role, Jeanne is responsible for driving the development and execution of inorganic growth strategies.

Since 2013, Jeanne has served as the Vice President, Strategy and Business Development for the Industrial Solutions (IS) segment, with responsibility for partnering with the IS leadership team to identify and execute organic and inorganic growth initiatives. Since joining TE in 2000, Jeanne has held a variety of leadership positions in M&A and integration, including leading TE's M&A and divestiture efforts from 2007 through 2013.

Prior to joining TE, Jeanne worked at PriceWaterhouseCoopers for 10 years where she assisted a broad range of strategic buyers and financial sponsors with their acquisitions.

Jeanne holds a Bachelor's degree in Accounting from the Pennsylvania State University and is a certified public accountant.
